RESOLUTION NO. 04-552

A RESOLUTION AUTHORIZING THE ISSUANCE OF GENERAL OBLIGATION BONDS OF THE CITY OF WICHITA, KANSAS TO PAY ALL OR A PORTION OF THE COSTS OF A STUDY TO CONSIDER THE REPLACEMENT OF EXPO HALL ROOFTOP HVAC UNITS TO CHANGE OVER TO A CENTRAL CHILLED WATER SYSTEM.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF WICHITA, KANSAS:

SECTION 1. That the rooftop HVAC units at Expo Hall are exposed to extreme heat which causes several catastrophic failures of several of the units each year and replacement of the existing system with a central chilled water system would greatly improve energy efficiency and reduce such failures and their adverse impact on user and visitor comfort during occupancy and events at Expo Hall.

SECTION 2. The governing body hereby declares it to be its intention to issue and sell, in the manner provided by law, general obligation bonds under the authority of K.S.A. 13-1024c, as amended by City of Wichita Charter Ordinance No. 156, to pay all or a portion of the cost of a feasibility study of a change in the cooling system for Expo Hall to a central chilled water system. These costs shall be paid by the issuance of general obligation bonds as aforesaid in an amount not to exceed \$15,000, exclusive of the costs of interest on borrowed money.

SECTION 3. This Resolution shall take effect and be in force from and after its passage and shall be published in the official City paper.
